We took our name for Susan B's 30th Birthday in May and so Twisted Tails was born.

We had our first real troupe public performance outside Malmaison for Red Leith Festival. We were a great hit with lots of fab pics taken!

Later that summer we performed 2 sets at Hopetoun House Summer Fair with coverage and fab pic of Bryar in newspaper.

The Traquair Fair featured a fab pic of us in programme and we danced for Sir David Steele and Susan chatted with Rory Bremner! Susan nearly lost a skirt, Sarah lost a shoe and it poured with torrential rain – but we loved it!

At Kilsyth carnival we had a very hot day, exhausted dancing in parade and a mad dash to perform to massive crowd on the hill(yes they were mostly waiting for Dougie McLean but I still say we opened for him ;). Then our first TV performance for STV news, interviews and dancing!

At Dusherra we were overwhelmed by photographic requests and danced to a packed and wonderful crowd. Later that month we posed for pictures for an afternoon for a photographic club.

And the year ended as it begun, dancing in November at an Edinburgh Hafla to and with friends.
